

גיי כאַפּ פֿיש !

Use a deck of cards from 1 to 10. Each player gets 7 cards. The goal of the game is to collect as many sets of four cards of the same number as possible. Players take turns asking others whether they have a particular number. If they don't, the player "goes fishing" in the "pond."

Do you have a ...?

דו האָסט אַ?

Yes. There you go.

יאָ. נאָדיר.

No. Go fish!

ניין. גיי כאַפּ פֿיש !
